<p>*ASC payment rate typically ~60% of HOPPS reimbursement. New code, C7535 Fem/pop revasc is \$9999.43/58% of APC for CPT 37227(wo ivus). This code is level 4 which is the ceiling for pricing so it will max out.</p> <p>*Theoretically, if significant volume of claims submitted for this code, it should drive up the Level 4 APC reimbursement rate for the next year.</p> <p>*These codes are carrier priced and subject to fluctuate</p>
